## MAINE VOTE

Largest in History of the State—Total is About 150,000—147,802 and 1880 is Next Highest.

Portland, Me., September 12—The largest vote in the history of Maine was cast at the State election yesterday. The total vote will approximate 150,000. The figures have not been approached since 1880, the year the Democratic and Greenback parties fused, when the total was 147,802. In the last Presidential year and two years ago it fell below 142,000.

The receipt today of the vote from the border and a few isolated precincts increased the plurality of Carl E. Milliken, Republican, for Governor, over Gov. Oakley C. Curtis, Democrat, from the indicated figures of 13,000 last night to 13,800.

Pluralities for the Republicans, who will send a solid delegation to Congress, were practically unchanged from the figures of last night, as were the pluralities of Frederick Hale and former Governor Bert M. Fernald, who were elected to the United States Senate.

The Republicans, who have held a majority in the State Senate, will control both houses by a good working majority.

**Revised Vote**  
The revised vote for Governor, United States Senators and Congressmen follows:

Governor—Milliken (Rep.), 80,357; Curtis (Dem.), 66,547.  
United States Senator—Hale (Rep.), 78,044; Fernald (Rep.), 79,368; Johnson (Dem.), 68,273; Silas (Dem.), 66,832.

Congressman—Goodell (Rep.), 19,732; Stevens (Dem.), 16,103; White (Rep.), 19,157; McGillivray (Dem.), 18,770; Peters (Rep.), 21,820; Bunker (Dem.), 18,277; Hersey (Rep.), 15,065; Pierce (Dem.), 11,012.

Complete returns from the Second Congressional District gave White, Republican, plurality of 630 over McGillivray, Democrat. The vote was 19,510 to 18,880.

Prayer Meeting tonight at the Central Presbyterian Church at 7 o'clock. Note the change of hour.

## \$10,000 GIVEN BEREA COLLEGE

Berea, Ky., September 12—Announcement was made here by President William Goodell Frost of Berea college, of a gift of \$10,000 from James Talcott of New York city, received shortly before the latter's death, August 21. Mr. Talcott had long been interested in Berea's efforts to broaden the educational facilities for women of the Southern mountains. The gift was part of a total pledge of \$40,000 for the erection of a girls' dormitory, the work on which is progressing rapidly, with the expectation that the structure will be ready for occupancy January 1. The opening of Talcott Hall for the housing of 100 young women will be one of the most important steps in Berea's present endeavor to secure adequate shelter and equipment for its great constituency from "the mountain ends of eight Southern States."

## NEGRO SENT TO CHILDREN'S HOME

Robert Beckett, better known as "Beck," a young negro boy of this city who frequently dances on the streets, was sent to the Kentucky Home for colored children at Louisville yesterday. "Beck" was before Judge Rice some time ago charged with robbing the cash drawer of the McNamara Bakery. He secured about \$16. At the time the judge paroled him but yesterday he was sent to the Children's Home. The child had no relatives or legal guardian but was living with a family in the West End.

## SELLS PROPERTY

Thomas L. Ewan & Co., real estate agents yesterday sold the Chenoweth residence on East Second street to Mr. H. D. Ellis. Consideration private. The property is now occupied by Mr. John Chenoweth and family.

## BOY WANTED

Reliable boy about 16 years of age wanted to carry papers and work around office. Apply at once at this office.

The many friends of Mrs. Frank Barkley will be delighted to know that she is very much improved in health.

## BRICK STREETS

Work Should Be Pushed More Than It Is If The Contractors Expect to Finish This Fall — Citizens Angry Over Situation.

We learn upon good authority that a number of the citizens of the Sixth Ward held an indignation meeting yesterday afternoon in regard to the slowness of Cary, Reed Co., the contractors for the asphalt streets.

The rate all of the contractors worked yesterday, Maysville will be able to use East Second street in the Fifth and Sixth wards about 1918. The only work that went on as far as we have been able to learn was a small amount of excavating and replacing a curb in the Fifth and laying about ten feet of concrete. The main street in the Sixth Ward is entirely closed except for the street cars.

The reason of the stoppage of work in the Sixth Ward yesterday was on account of the stone used in the concrete, which, according to Mr. Easton, chairman of the Internal Improvement Committee of the City Council, is not up to the specifications. Another objection was that the surface of the concrete when laid was entirely too rough. The contractors say that the concrete must be rough in order to hold the asphalt in place when laid. Surely, they ought to know how to lay the concrete, being one of the largest asphalt contractors in the state.

However, the Internal Improvement Committee met yesterday afternoon and authorized the use of the stone already on hand provided it is free from dirt. Mr. W. L. Glazier, the City Engineer, will be on hand tomorrow and make a further examination of the work.

It is no wonder that no better time is made on the streets when the chairman of the Internal Improvement Committee and the various inspectors are continually wrangling over how the work should be done. If the inspectors do not know their business they should be replaced by competent men. Certainly capable men should be obtained at \$4 a day, the price now being paid to the inspectors.

It is understood that several of the business men of the East End will file suit against the city in the near future for damage done to their business through the slowness of the street construction. And if they do they are certainly entitled to damages, because not only the streets but the sidewalks are almost impassable for quite a stretch in the Sixth Ward and there is no telling how long they will remain in that condition, judging from the way the work is now progressing. If these people obtain damages from the city someone is responsible, and it looks as if the taxpayers are the ones who will have to pay for the folly and carelessness of a few men who should have had this work completed.

The City Council, upon the making of the contracts should have set a time limit on the work to be done. This would have saved the city many dollars, as the contractors would have been compelled to finish on time or lose money. Money on inspectors, on car fare for the Internal Improvement Committee, and many other small expenses, in all amount to no small sum would be saved for the taxpayers. Certainly the street can not be finished this fall at the rate of work being done. If they are left during the winter we would be willing to ask for the old mud roads.

## GUEST OF MISS NIELSEN

Flemingsburg friends of Nelson Weedon were glad to meet him at the Nielsen concert at Maysville last week, he having the honor to be a guest of Miss Nielsen during her visit to Maysville. Miss Nielsen, as well as other musical celebrities, has recognized Mr. Weedon's rare talents and he has been the recipient of signal honors. Miss Nielsen has planned a house party for the month of October at her villa on the Hudson and Mr. Weedon with other musicians of note both American and foreign, are to be her guests. His many friends in Flemingsburg will be pleased to note such recognition of his ability.—Fleming Gazette.

## BLEASE APPEARS TO BE BEATEN IN SOUTH CAROLINA

Columbia, S. C., September 12—Nearly complete returns late tonight from South Carolina's runoff Democratic primary indicated that Governor Richard I. Manning was renominated over former Governor Cole L. Blease by a majority estimated at between 3,000 and 7,000 votes. With about 129,000 votes reported out of a registration of 150,000, Manning has 75,300 and Blease 62,390.

## HEAVILY FINED

In Squire Fred W. Bager's Court yesterday Ed Lewis was fined \$64.15 for bringing intoxicating liquor into prohibition territory for other than his own use. Lewis lives on Myers

## SHIPPING CASE DISPLAYED

The shipping case that contained the dyes received by January and Wood Co. from the consignment brought over by the Deutschland is being exhibited by D. Hechinger & Co. in their show windows. The case is attracting quite a bit of attention.

## FIRST DAY'S SESSION

Of the Second District Christian Endeavor Meeting Being Held in the Christian Church in This City — Greatly Pleased Those Attending.

The first day's session of the Second District Christian Endeavor Meeting was held yesterday in the Christian Church and the First Presbyterian Church. A number attended and were greatly pleased with the meeting.

The meeting opened yesterday morning with a prayer service by Rev. H. Kerr Taylor. The program for 1916-17 was outlined met with the approval of everyone. The program for the year contains a great many good points, which if carried out will be a great help to the various endeavors in the district. The class in Christian Endeavor expert was conducted by Dr. Frazee of Lexington.

The afternoon session was spent in talking over the work of the young people's society and was very helpful to those present.

In the evening the program was held in the First Presbyterian Church. Mr. C. F. Evans of Lexington, Field Secretary for All South Extension Committee of United Society of Christian Endeavor, gave a stereopticon lecture on "Christian Endeavor in Dixie." His slides showed a great number of the endeavors in the South and the work being done by them. His lecture was quite interesting.

The evening session was favored by a beautiful duet by Miss Anye King and Dr. P. G. Smoot. Mrs. O. L. Bartlett also sang a solo.

A number of out of town people are here attending the meeting. A register is being kept of these. They represent various endeavors in the district and are learning things that they will take back with them to use in their own society. The meeting is not confined to members of the Christian Endeavor but everyone interested in young people's work is invited to attend. Today will be the last day of the meeting.

## RESIGNS AS AID

Mr. Clarke Overton of Fleming county has resigned as aid to Governor Stanley. He will be appointed as parole agent to succeed Mr. Ernest Thompson of Lexington, who failed to qualify for the position.

## OHIO PASTORS APPOINTED
